Seaweed

[Atlantic Holdfast Seaweed Company](#) – Small company working to sustainably harvest and distribute high quality, hand-harvested sea vegetables from the Gulf of Maine.

[Ironbound Island Seaweed](#) – Dedicated to the sustainable harvesting of wild seaweeds from the cold, clean waters of the Schoodic Peninsula and surrounding islands of eastern Maine.

[Island Herbs](#) – Operated by herbalist Ryan Drum. This is one of the few places you can buy bull kelp, which is used in some of our recipes (he sells it as kelp). He also sells sustainably wild crafted bulk herbs.

[Maine Coast Sea Vegetables](#) – Specializes in sustainably harvested seaweeds from the North Atlantic.

[Maine Seaweed](#) – Family-owned business. They sell the summer soup mix that we recommend.

[Naturespirit Herbs](#) – Sea vegetables, seaweed capsules, wildcrafted herbs, and herbal extracts.

Canada

[Harmonic Arts Botanical Dispensary](#) – bulk herbs and mushrooms, many organic options

[Rebel Roots Herb Farm](#) – small family farm growing quality medicinal herbs in Grey County, Ontario

[Richter's Herbs](#) – dried herbs, medicinal herb seeds, medicinal herb plants (ships internationally)
